18.43 pm (UK-Time) 6 June 2023

Published this Section of the 'Allurement of Reality' book in The Allurement of Reality Shop as the 124th section and it will be left at that, especially since it amounts to a 7.

PROCEEDINGS

A NatWest Bank email came into the yahoo Account: deleted it.

19.32 pm (UK-Time) 6 June 2023

Update:

At 19.54 pm a PayPal email came into the Yahoo account: after some thought decided to delete it for this matter will have to be channelled to defend myself in a criminal court that the State is still trying to direct matters towards. I cannot engage with any of the State's institutions, or solicitors as I must retain the 10 November 2023 2.00 pm Trial to work towards for it has come in an email and has not been superceded by any other clarifications. I am just waiting for the CVP details to be sent to me as I had requested. A Court decision will seal the revolution.

20.54 pm (UK-date) 6 June 2023

Posted the extract of PROCEEDINGS in Daily Bulletin Forum,

Dear Shirley Pennucci

I had requested Shannon Bowie-Wooler for a reconsideration of the negative outcome of my application-interview for the post of 111 Health Advisor but have not received any feedback, In this regard, kindly note the contents of the link that I posted last night:

<https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/proceedings-extract-from-revolution-unfolding-in-the-united-kingdom>

Just to recap, I like to think that I am jack of all trades and aspire to be master of all. After the career at the Natural Resources Institute, I worked in ordinary jobs like in Petrol Stations and supermarkets to learn about the Retail trade and the business environment. I do not consider any job as being too lowly or menial as they teach you how to get on with all that life can throw at you and you come out stronger. I also therefore studied law by actively assessing what is needed to be part of the society and strictly within the provisions of the State of the United Kingdom. First-had experience cannot be

beaten, as it is far superior to studying books which are useful but it does not tell you about humanity and social interactions whilst trying to better oneself and one's family.

One should improve lives, improve the State in the most peaceful manner without protesting, and this is attained by paying attention to details. That is how I have always been.

Mental Health is crucial to be able to cope with life's stresses. This is why I have had my own mental health assessed and studied it personally by consulting the Samaritans, Consultant Psychiatrists and psychotherapists, the last by paying them for their services. This personal experience will be invaluable in providing advice and support to callers to the NHS 111 Health Advisor Helpline.

I am never bored and I always engage myself in some mental activity and have written memoirs of my experiences so that others can benefit from the lessons that I have learnt. I always had a philanthropic approach to living, especially in my adult life and the employment at the Natural Resources Institute gave me the scope to develop myself through such work. As I mentioned at the interview, my philanthropy is not just specific to human beings although that is a major aspect of it, but as an advaitist in Hindu parlance, it extends to birds, bees, flowers, trees, seas, soils and all of the rest of Nature taking a holistic view of the environment. But if one cannot bring human beings into this frame of mind by gentle arguments and persuasion there is no point because we humans are the only species that devastate the environment towards decimation.

Mentoring newcomers and inexperienced people is very important for an institution like the National Health Service.

I hope you will take this statement into account and offer me any suitable employment if on reconsideration, you find me unsuitable for this role.

Yours sincerely

 Subject: Series of mishandling of complaints investigations by the Solicitors Regulation Authority

****This message originated from outside the SRA- Please treat attachments or links with caution****

Dear Sirs

Over the past decade I have approached the Legal Ombudsman and the Solicitors Regulation Authority as well as the Bar Standards Board on complaints against the manner in which my civil and private prosecutions have been managed as well as the defence that I am bound to enter with regard to two speeding offences, the first in 2017 and the second in 2022. Further to this Kent Police is in the process of investigating me as a suspect on allegations of harassment and malicious communications sent out from my email address by hackers which are then attributed to me. These criminal anonymous emails number around 500 and are engineered by unknown people calling themselves Victims of Panigrahi Association (VOPA) and includes savages such as Marty Caine, Sivaji Panesar, Fritz Wuehler, Nitin Bhardwaj, Bury, Cherie and Ed Moulhose.

For long I had considered that this organisation listed in the Claim Form for E35YM660 at the Central London County Court in my litigation against the Prime Minister of the United Kingdom were engineered by a secretive establishment of the United Kingdom and the only one that came to my mind was MI5 or it could be COBRA or even the Pentagon.

Kent Police took no account of my protestations that I had never sent any such emails to Katrinal Sale, bp, staff of BLM law, educational establishments including the University of Greenwich and I was arrested unnecessarily four times between November 2021 and 20 April 2023 and interrogated a fifty time on 16 September 2021 on a voluntary invitation to Medway Police Station. As the Solicitors Regulation Authority has been informed, a sixth such voluntary interview was set up and then when I voiced my willingness to cooperate and assist Kent Police with its continuing enquires that makes the 10 November 2023, 2.00 pm Trial of myself to be unauthorised by a Magistrate: as linked here:

I am required by Mr Warren Smith to file the final stage of the Solicitors Regulation Complaints process and do so herewith on the suspicion that there has been a State-organised conspiracy against me since 1998 that was intended to impoverish me and my family, render me stateless, consign me to a Mental hospital irreversibly as happened on two occasions of 2004 and 2008 quite unnecessarily sectioned as a political prisoner for being a Republican, frame offences against me with the present allegations of sending emails that were harassing and malicious to charge me with a view to putting me into prison when all other avenues to suppress my freedom of expression failed, and I stayed put in the United Kingdom which I intend to do come what may still.

I look forward to your reply as soon as possible.

 Subject: Series of mishandling of complaints investigations by the Solicitors Regulation Authority

****This message originated from outside the SRA- Please treat attachments or links with caution****

Dear Sirs

Over the past decade I have approached the Legal Ombudsman and the Solicitors Regulation Authority as well as the Bar Standards Board on complaints against the manner in which my civil and private prosecutions have been managed as well as the defence that I am bound to enter with regard to two speeding offences, the first in 2017 and the second in 2022. Further to this Kent Police is in the process of investigating me as a suspect on allegations of harassment and malicious communications sent out from my email address by hackers which are then attributed to me. These criminal anonymous emails number around 500 and are engineered by unknown people calling themselves Victims of Panigrahi Association (VOPA) and includes savages such as Marty Caine, Sivaji Panesar, Fritz Wuehler, Nitin Bhardwaj, Bury, Cherie and Ed Moulhose.

For long I had considered that this organisation listed in the Claim Form for E35YM660 at the Central London County Court in my litigation against the Prime Minister of the United Kingdom were engineered by a secretive establishment of the United Kingdom and the only one that came to my mind was MI5/MI6 or it could be COBRA or even the Pentagon.

Kent Police took no account of my protestations that I had never sent any such emails to Katrina Sale, bp, staff of BLM law, educational establishments including the University of Greenwich and I was

arrested unnecessarily four times between November 2021 and 20 April 2023 and interrogated a fifth time on 16 September 2021 on a voluntary invitation to Medway Police Station. As the Solicitors Regulation Authority has been informed, a sixth such voluntary interview was set up and then withdrawn when I voiced my willingness to cooperate and assist Kent Police with its continuing enquires that makes the 10 November 2023, 2.00 pm Trial of myself to be unauthorised by a Magistrate: as linked here:

I am required by Mr Warren Smith to file the final stage of the Solicitors Regulation Complaints process and do so herewith on the suspicion that there has been a State-organised conspiracy against me since 1998 that was intended to impoverish me and my family, render me stateless, consign me to a mental hospital irreversibly this time, as happened on two occasions of 2004 and 2008 quite unnecessarily sectioned as a political prisoner for being a Republican, framing offences against me with the present allegations of sending emails that were harassing and malicious to charge me with a view to putting me in prison when all other avenues to suppress my freedom of expression failed, and I stayed put in the United Kingdom which I intend to do come what may still.

I look forward to your reply as soon as possible.

Dear IOPC

Not only can you help me avert a deliberate miscarriage of justice, as attached ToComplaints Team(SolRegAuth)ccallCourts of UK)7Jun2023.docx by assessing the evidence of Kent Police's Hate Crime on me over the past decade, you are also required to submit your report on this matter to the Institute for Government as set out in the 28 May email that you have referred to and as a precursor to having Parliament consider the Public Enquiry in detail.

Over that same period that I have had the misfortune of engaging with Kent Police I have had countless communications with the Independent Office for Police Conduct and the responses that I received from IOPC were to refer me back to Professional Standards of Kent Police from which nothing materialised in terms of justice. I am still without the £55,000 severance payment from the University of Greenwich dating back to 1998, and without the refund of the £4170 paid to the Cabinet Office as their costs in defending Claim E35YM660.

I demanded an apology and compensation for the damages that I and my family have suffered from Kent Police but find that all the courts approached and Kent Police covered up their Hate Crimes by for example rubbing salt to injury, with Kent Police not returning the IT devices directly or by Order of North Kent Magistrates Court as referred to in the original application for a Public Enquiry and very unjustifiably hold me still on bail until 18 June 2023 5.00 pm without shame.

I hope this explains what the responsibility of the IOPC now is in relation to the Public Enquiry.

Yours sincerely

Dear Shirley Pennucci

I had requested Shannon Bowie-Wooler for a reconsideration of the negative outcome of my application-interview for the post of 111 Health Advisor but have not received any feedback, In this

regard, kindly note the contents of the link that I posted last night:

<https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/proceedings-extract-from-revolution-unfolding-in-the-united-kingdom>

Just to recap, I like to think that I am jack of all trades and aspire to be master of all. After the career at the Natural Resources Institute, I worked in ordinary jobs like in Petrol Stations and supermarkets to learn about the Retail trade and the business environment. I do not consider any job as being too lowly or menial as they teach you how to get on with all that life can throw at you and you come out stronger. I also therefore studied law by actively assessing what is needed to be part of the society and strictly within the provisions of the State of the United Kingdom. First-hand experience cannot be beaten, as it is far superior to studying books which are useful but it does not tell you about humanity and social interactions whilst trying to better oneself and one's family.

One should improve lives, improve the State in the most peaceful manner without protesting, and this is attained by paying attention to details. That is how I have always been.

Mental Health is crucial to be able to cope with life's stresses. This is why I have had my own mental health assessed and studied it personally by consulting the Samaritans, Consultant Psychiatrists, and psychotherapists, the last by paying them for their services. This personal experience will be invaluable in providing advice and support to callers to the NHS 111 Health Advisor Helpline.

I am never bored and I always engage myself in some mental activity and have written memoirs of my experiences so that others can benefit from the lessons that I have learnt. I always had a philanthropic approach to living, especially in my adult life and the employment at the Natural Resources Institute gave me the scope to develop myself through such work. As I mentioned at the interview, my philanthropy is not just specific to human beings although that is a major aspect of it, but as an advaitist in Hindu parlance, it extends to birds, bees, flowers, trees, seas, soils and all of the rest of Nature taking a holistic view of the environment. But if one cannot bring human beings into this frame of mind by gentle arguments and persuasion there is no point because we humans are the only species that devastate the environment towards decimation.

Mentoring newcomers and inexperienced people is very important for an institution like the National Health Service.

I hope you will take this statement into account and offer me any suitable employment if on reconsideration, you find me unsuitable for this role.

Yours sincerely

Dear Sir/Madam,

I am aware that the authority who can initiate a Public Enquiry is a Minister of the government from the materials that I read in your website, but what is the process by which an applicant as a private citizen of the United Kingdom can have his request to be brought to the attention of the relevant Minister consider the need for such an enquiry.

Over the past 6-8 years I have had extensive conversations with Right Honourable Rehman Chishti, my local constituency Member of Parliament to bring the matter that I have complained about to the due processes of Parliamentary scrutiny but he has failed to act on nor provide me with an explanation of why my application does not warrant the consideration of the Minister of Justice or of the Secretary of State for the Home Office, as the following correspondence highlights.

Now that the legal and medical procedures are over and I found the system in operation totally inadequate the needs of ordinary citizens to access justice I am writing to you with a view to obtaining the necessary permission as a pre-screening mechanism before taking the step to consider writing to the Prime Minister of the United Kingdom, Mr Rishi Sunak.

Should any further relevant information come to me in this regard, I will forward these to you for appropriate consideration and disposal.

I trust you will agree that I am going about this matter in the appropriate manner as due process.

Dear Rehman

There should be Public Enquiry on this 26-year struggle for justice if we are not to continue to live in insidious dictatorship that permeates the judicial and law enforcement systems in the United Kingdom.

Dear Sirs

Silence is Anti-Justice. I offered to defend myself in person before the Magistrates on the speeding offence and the harassment/malicious communications matter and it caught both Kent Police and the Magistrates Court out as deliberately obstructing justice by adjourning the Hearing of 1 June 2023 under false pretences indefinitely to facilitate the objective of the State to retaining me in perpetuity under investigation through continuing bail.

This is done to avoid paying me £10 million in damages and compensation in Claim E35YM660 from another adjournment indefinitely of a Hearing since 20 January 2023 at the Central London County Court from a Circuit Judge. Add to this the duplicitous 'direction' of Maidstone Crown Court as to whether the matter is a criminal issue or a civil issue, we have the complete picture of State-organised persecution on me.

What is your replies to this accusation?

Yours sincerely

Please telephone 101 for the PSD contact details.

The outcome of your complaint and right of review

If you received an outcome letter for your complaint, it may offer you the right to ask for a review. A review can only be considered by the relevant review body. Your outcome letter should name the relevant review body and tell you where to send a request for review. Please ensure any request for review is sent as soon as possible and before the deadline stated in the outcome letter.

Your Honour

I am pleased to receive the Summons to Court for at long last I will get the opportunity to state my Case in Defence of all the allegations made against me as I have never ever done anything wrong and complied with all the requirements of the State in regards to my involvements.

As required under the Summons, I have contacted the Prosecutor on behalf of Kent Police with the aim of developing a coherent set of explanation of the legalities of the matter as you will note from the correspondence below.

Notwithstanding that I am a mental patient with paranoid schizophrenia, persistent delusions, depression, mood instability, bipolar with delusions and autism as defined from time to time by the Consultant Psychiatrists of Britton House, Gillingham, Kent and the 'split-mind' that my psychotherapist Jill Jesson has diagnosed from her holistic approach to her profession, I note that the document received by me states that I must attend the Court on 10 November 2023 2.00 pm, and as a law-abiding citizen I will do so, after discussion with my Consultant Psychiatrist on the 26 June 2023 at 0.45 am appointment, with your permission.

I look forward to any further issues identified by the Court that I should address in my bid to have an Order made that Kent Police should send me a letter of apology and compensation for the manner in which the Hate Crime was perpetrated on me.

Yours sincerely

I write further to your attendance at Medway Police Station on the 28th March 2023 to thank you for instructing Olives Solicitors in connection with your arrest, detention, interview and charge of Malicious Communications. We confirm that we shall be pleased to act for you in the matter.

This letter, and the accompanying terms and conditions of business, set out the basis under which we will carry out the work on your behalf. They explain how we will manage your matter and detail the people who will be responsible for the work. They also set out how your case will be funded.

Please do read both the letter and terms of business carefully, but do not hesitate to contact me if you have any queries or would like to discuss any term further.

Responsibility for your matter

I am a Trainee Solicitor and shall have day-to-day conduct and supervision of your matter, under the supervision of Mr Dotun Ogunfolu who is the principle of the firm with overall responsibility. Scope of work

The work that we will undertake for you will include:

AND

To advise and represent you in a plea of guilty or defence of the charge/s against you, including: obtaining your instructions; all necessary court appearances, considering and advising upon prosecution papers and any other evidence; attending upon, liaising and communicating on your behalf with the police and the Crown Prosecution Service as reasonably necessary; applying for and negotiating the conditions of any bail; advising upon, preparing and making appropriate submissions on sentence; advising upon, preparing and presenting any appropriate evidence in support of mitigation; contacting liaising with and obtaining references/statements reports from any witnesses; explaining and advising upon all applicable legislation and procedure, including the nature and effect of any sentence and as to the merit and grounds for any possible appeal. If required: briefing and instructing counsel if agreed.

Funding

As already explained to you at the police station, we are acting for you under the Government Legal Representation Scheme. We are providing you advice and assistance at the police station under the scheme known as Police Station Attendance Scheme. This provides you with free legal advice whilst you have been arrested or have to attend a police station during a criminal investigation. Every time. I can confirm that should you be charged with an offence, we are able in certain instances to act for you under the government's legal aid scheme. In order to make an application for legal aid funding, we will require evidence of your income and expenditure, and details of any government benefits you receive. The application will also require details of family circumstances such as any partner or children currently living with you. In order to progress the application please ensure this information is made available to us as soon as possible. If granted a Legal Aid Representation Order you may not have to pay a contribution to the cost of your case. In this circumstances, it will not be necessary for you to be given an estimate of the likely total costs of matters. However, you should be aware that should you be convicted of the charge, the court will make an order that you pay the prosecutions costs and any compensation, if applicable.

Automatic legal aid funding

Legal aid applicants aged under 18 or those in receipt of government benefits do not need to pay for the work we do in the magistrates' court or the Crown Court. The relevant benefits are

- Income Support,
- Income-Based Job Seeker's Allowance,
- Universal Credit,
- Guaranteed State Pension Credit and
- Income-related Employment and Support Allowance.

A copy of the National Insurance Number is required in order to confirm the government benefits.

Eligibility considerations in other Cases The decision to award legal aid is based on the details of the case, called the Interests of Justice Test (Considerations of issues like any previous convictions, the nature of the offence and the risk of custody), and the financial situation, called the Means Test (consideration of your financial circumstances including household income, outgoings and expenses, any capital and equity, and any family circumstances).

What Does the Legal Representation Order Cover

Unless otherwise specified the Order will cover preparation of your case from commencement to conclusion including representation at Court during the proceedings. In addition, at the Crown Court, the order will allow us to instruct a barrister on your behalf. The Order will further cover the fees of experts, interpreters and other disbursements incurred in your case.

You have a legal duty to inform us or the court of any changes to your financial circumstances. We must also inform you about the possible withdrawal of your Legal Representation. The Legal representation may be withdrawn if during the course of the proceedings, you give us wrong or misleading information or unreasonable instruction or you fail to co-operate with our reasonable request causing us to withdraw from acting for you.

Crown Court – Recovery of Defence Costs Order

If your case goes to the Crown Court for trial you will not automatically qualify for legally aided representation once you have completed an application form. After you have been means tested, you may have to pay towards the cost of your defence. This could be from your income while the case is ongoing and/or from your capital, if you are convicted.

You will be asked to provide evidence of your income and assets. If you do not, your payments could be increased which would result in you paying more towards your defence costs. If you do not tell the truth on your legal aid application about your income, assets and expenditure you could be prosecuted.

You will not have to pay towards the costs of your case if you are under 18 when you make your application or if you receive any of the following benefits: income support, income-based jobseeker's allowance, guaranteed state pension credit or income related employment and support allowance. You may have to pay towards the costs if your monthly disposable income is above a certain level. If this is the case, you will receive a Contribution Order from the court and you will have to make payments as required under the Order. The first payment will be due within 28 days of your case being committed, sent or transferred for trial.

You must tell the court about any changes to your financial circumstances during your case because a change may affect the amount you have to pay towards your defence costs. If you don't think you can afford to pay, or think that a mistake has been made, you can ask for a review of the amount the court has told you to pay.

At the end of the case, if you are found not guilty, any payments you have made will be refunded with interest. If you paid late or not at all and action was taken against you, the costs of this action will be deducted from the refund.

If you are found guilty, you may have to pay towards your defence costs from any Capital assets you may have. This would only apply if:

- . You have £30,000 or more of assets, for example: savings, equity in property, shares or Premium Bonds; and

- . Any payments you have already made have not covered your total defence costs.

You will be told at the end of your case if you have to make a payment from capital.

Discharge and Revocation of the representation Order

Although we are acting for you under the representation order, in some circumstances, for example as stated above the Legal Service Commission may discharge or revoke the order. If the order is discharged you will be liable for all your costs from the start of the case because you will be treated as if you had never been legally aided in the first place. If you have any questions regarding the above then please do not hesitate to contact me.

Consenting to Audit Inspection

As part of our Contract requirements with the Legal Aid Agency, we are obliged to carry out an audit inspection of our files. This may include your file at a later stage once your case has come to a conclusion. If you do not wish for your file to be subject to an Audit Inspection by a regulatory organisation, then please let us know. If you do not inform us, we will assume that you are happy for your case to be inspected.

Dear Sirs

Re: Your Criminal Law Matter at Medway Police Station

I write to confirm the outcome of your arrest and interview by police at Medway Police Station on 28th March 2023 when you were represented by Philippa Beswick of Olives Solicitors

You were questioned for the offences of malicious communications

Your Instructions

Your instructions were that you are not the sender of any emails and your account must have been hacked

Our Advice

We explained the elements of the alleged offence and we explained the usual police station procedure and your rights as a suspect in police custody.

We told you that after the interview, the police have a number of options:

- 1) to take no further action against you,
- 2) to caution you.
- 3) To charge you to court with an offence, or
- 4) To give you bail to return to the police station on another day while they make further enquiries

We informed you about the disclosure made by the police and that you were to be interviewed under caution. We explained the caution to you in the three parts as follows:

1. pointing out that you have the right to remain silent
2. explaining adverse inference to you that, if you have a defence or reasonable explanation and refuse to give it when being questioned, should the matter proceed to court and you decide to give the explanation the court may not believe you, in the absence of a reasonable excuse; and
3. anything you say may be used in evidence.

You were advised to advance denials in interview and answer the questions.

Outcome

You have been Bailed to Return to Medway Police Station on 18th June 2023 at 5pm
Should you fail to return on bail to the police station when advised to do so then you could be charged with an offence of failing to answer your bail contrary to the Bail Act.

Action to be taken

To assist us in carrying out the work as efficiently as possible, please could you ensure that all information provided is to the best of your knowledge complete, accurate and up to date. Please could you also notify us of any changes or variations to that information which may arise after the date it is passed to us and of any new circumstances that might be relevant to the work that we have agree to do for you.

Please let me know if my understanding of your instructions, as detailed above, is in any way incorrect or if you require further clarification on any issue.

Yours Sincerely

(Signed: Olives)

Update:

At 11.15 my Mobile Phone rang. I answered it as it was from a 01634 Number. It was Issac from Britton House. He asked how I was. I said I was OK, just relaxing. He said that there is an appointment on 26th of June 10.45 am. I said that my GP told me about it, and that is OK. He asked if my wife was in. I said Yes and whether he would like to speak to her. He said Yes. So I took the phone to Rashmi and they spoke for a couple of minutes about the forthcoming appointment. He said make sure he comes. She said that he will come. He asked will you come with him Rashmi said that she can come. He asked whether we wanted a telephone or Britton House face-to face appointment. She said that we can come to Britton House. Can you send a letter of appointment, because unless you do I would not come. Issac checked our address and said that he will send a letter in the post. Call ended.

11.29 am (UK-Time) 8 June 2023

Dialled Olives Solicitors and spoke to Ravina introducing myself. I asked if she had received the email that I sent her this morning. She said she has received it, and said that I am still required to go to Medway Police Station on 18 June 2023 for the bail. I asked do I go myself or will you be there. She said it is a Sunday. Ok I said, I will go there by myself and let you know what happens. She said OK, and that if she heard anything she will email me. OK. Thank you Bye. Call ended.

Dear Sir/Madam

I spoke with OLIVES Solicitors 20 minutes ago on the telephone about this email which it has received. They confirmed that they are continuing to act on my behalf. As previously mentioned to the Court all documents relating to this matter should be sent to OLIVES Solicitors from now, as they will deal with all court proceedings as my Solicitors who will advise me,

Secondly Britton House telephoned me and said that an appointment has been fixed for 26 June 2023 10.45 am that I already knew about from my GP., so what was the point of this call after previous machinations by the Community Mental Health Team (CMHT) I wondered. The answer came to me when Issac insisted on speaking to my wife and telling her to make sure I attend the appointment. My wife told Issac to send a letter confirming the appointment or I would not attend. Issac agreed to send the letter. Sirs, Over the years the CMHT has been very selective and cagey with when they telephone me, write to me with CARE PLANS and new appointments as well as cancellations of appointments, deciding what medications I should be on, when care coordinators assist me as part of the Care Plan, etc. This kind of machinations made me think that Britton House have been State-manipulated as an aspect of the Hate Crime terrorism on me,

Yours sincerely

To
 Olives Solicitors

Silence means to me that the person receiving an email or letter and not replying is hiding something sinister.

I have been patiently trying to communicate with Olives Solicitors since I received your 19 April 2023 letter in the post a day before the 20 April 2023 arrest of myself at Medway Police Station which Philippa Beswick did not attend. Notwithstanding, I thought perhaps there was some lack of communication between Kent Police and the Duty Solicitor which led them to appoint a new Duty Solicitor for me on this interview. I do not know the name of this solicitor.

More to, the point, after a dozen or so emails and few telephone calls to Olives Solicitors with no emailed reply, my suspicion is that Olive Solicitors were part of the Kent Police implemented conspiracy against me (as with other Duty Solicitors) that I referred you to the Solicitors Regulation Authority for.

Today's silence is the last straw for me and I am terminating our relationship because you did not find out for me from Kent Police as to what is to happen at the Bail Meeting of Sunday 18 June 2023, 5 pm, that you indicated you cannot attend with me.

I will therefore look for another Solicitor closer to me to assist me with legal representation and advice for the proceedings at Kent Police as also for the 10 November 2023 2 pm Trial Hearing. If I cannot find one I will go to Court myself and defend against any charges that Kent Police may be planning on me as I write.

Kent Police is copied into this email to write to me directly with its intentions immediately.

Yours sincerely
